

Eastern Long Island Hospital Golf Classic

June 6, 2018

The format for today's competition will be a four-player team Scramble.

- Each of the four players tees off. The team selects the best tee shot of the four. The other three players pick up their balls. Each team member must use at least **THREE** drives for the round.
- After selecting the best drive and marking it, each of the four-team members hits a second shot from within one club length of the marker. If the ball is not on the green after the second shot, the procedure stays the same. Select the best of the four-second shots mark the ball and have all four team members hit the next shot.
- When your team has selected and marked the best shot on the green, the other players pick up their balls. All four then putt from the spot that has been selected. If one team member makes the putt, you are done with the hole. If no one on your team sinks the putt, you select the best putt and repeat the same procedure.
- **Play will be as follows:**
The Men will play from the White Tee Markers
The Ladies will play from the Red Tee Markers
- The golf ball can always be lifted, cleaned, and placed everywhere on the golf course.
- Please keep golf carts off Moore's Lane

■ **Special events on the course:**

- Closest to the Pin all golfers Hole 6, 7, 10, 13, 14
- Longest Drives Men Hole #15 Ladies Hole #11
- Double Your Money Contest Hole #13

■ Please return the scorecards to the Pro Shop at the completion of the round.

☺ Play well and enjoy your day
