

As A Living Tribute

A magnolia tree will be planted in honor and remembrance to those who have tragically lost their lives or someone close to them to overdose or suicide. It is also a time to celebrate those in recovery and those who have survived suicide attempts.

Date: Friday, September 10, 2021

Place: In front of the tent

International Overdose Awareness Day is a global event held on **August 31** each year. Its purpose is to raise awareness of overdoses, reduce the stigma of drug-related deaths and acknowledge the grief felt by families and friends.

World Suicide Prevention Day is an awareness day observed on **September 10** every year, in order to provide worldwide commitment and action to prevent suicides, with various activities around the world since 2003

Stony Brook **Eastern Long Island Hospital**
